

Recall of Batch WL1320 and WL1284 Miraculous Cat Noir

We have unfortunately found errors in the following batches of the Cat Noir product:

WL1320

WL1284

It has been demonstrated in one test on one product that the DEHP content in 60-50536 has been found to range from 0.14% to 0.16%, which exceeds the acceptable limit of 0.1% in the **belt and the boots**.

Therefore, we are recalling Miraculous Cat Noir Doll with the below batch-number;

WL1320 and WL1284

The batch is to be found here on the product

We kindly ask customers who have Miraculous Cat Noir Doll from item 60-50000, 60-50002 and 60-50365 with these specific batch numbers to return the product where it have been purchased or discard the product.

The Miraculous Cat Noir Doll with these batchnumbers may be returned to the retailer who sold you the product. You will receive a total refund, and you do not have to present a proof of purchase (the receipt).

We apologise for the inconvenience!
